MEMORANDUM FOR THE RECORD

SUBJECT : Inspector General's Survey of the Office of Medical Services

REFERENCE: Memorandum for DD/S from D/MS, dtd 30 Sept 1969,  
Subject as Above

25X1A 1. On 13 October 1969, arrangements were made by the undersigned as requested by [redacted] SA-DD/S, to meet with C/CD to discuss the need for additional information in the form of statistics.

25X1A 2. [redacted] indicated that reference had been returned to him by the "DD/S Front Office" indicating that Col. White wanted some statistics on the effectiveness of the new follow-up procedure for the executive annual examinations; therefore, [redacted] asked that [redacted] obtain the following statistics for him on or about 24 October so that DD/S could forward their reply to Col. White by 1 November.

25X1A 3. Requirements are:

- a. How many executive annual examinations were performed?
- b. How many were found to have significant pathology?
- c. How many advised of findings?
- d. How many advised to seek outside medical care?
- e. How many "feed back" reports received from private physicians?
